👤 PROFILE

Highly skilled and results-driven professional with expertise in web development and programming. Proficient in HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB, C, C++, data structures, DBMS, and Python. Strong problem-solving abilities and a proven track record of delivering high-quality solutions.

📁 PROJECTS

MERN stack E-commerce website

Developed a full-stack e-commerce website from scratch using the MERN stack. Implemented responsive and user-friendly front-end interfaces using HTML, CSS, and JavaScript, adhering to modern design principles. Using React.js and Redux for state management. Integrated MongoDB for database management, designing efficient schemas and implementing CRUD operations for product inventory and user data. Implemented RESTful APIs on the server-side using Express.js and Node.js. Integrated third-party payment gateways (e.g., PayPal, Stripe) for seamless and secure online transactions.

Login Page

Developed a secure login page with authentication functionality using HTML, CSS, JavaScript, and Node.js. Implemented user registration, login, and password reset features to ensure secure access control. Utilized hashing algorithms (e.g., bcrypt) to securely store and authenticate user passwords. Integrated JSON Web Tokens (JWT) for session management and authorization, enhancing the overall security of the login system.

Portfolio

Personal Portfolio Website | Personal Project. Designed and developed a personal portfolio website to showcase my skills, projects, and accomplishments. Created a visually appealing and responsive user interface using HTML, CSS, and JavaScript. Implemented a clean and modern design, incorporating smooth animations and transitions for an enhanced user experience. Integrated a contact form for visitors to reach out, utilizing server-side scripting to handle form submissions securely.

🎓 EDUCATION

B.E(computer science engineering), Muffakham Jah College Of Engineering And Technology

August 2019 – July 2023 | Hyderabad, India

CGPA- 7.6

JUNIOR COLLEGE, Boys higher secondary school

January 2018 – January 2019 | Handwara 193221

marks- 80.4%

10th, New Millennium public School

January 2016 – January 2017 | Handwara 193221

marks- 83%

💼 PROFESSIONAL EXPERIENCE

Front End Developer

November 2021 – December 2021 | remote

Front-End Developer Intern | XivTech.io Company

Collaborated with a team of developers and designers to create responsive and user-friendly web applications.

Assisted in the development and implementation of front-end features using HTML, CSS, and JavaScript, ensuring high-quality code and adherence to best practices.

Worked closely with the design team to translate wireframes and mockups into functional web interfaces.
